Dan Nolan
Fundraising

This letter is written on behalf of Dan Nolan. It confirms this individual is a volunteer member of the Rescue Riders. We would appreciate any type of donation your organization can contribute to assist our "Ride For A Reason" campaign.

This is our 6th year helping keep the roads safe while supporting motorcycle events throughout Illinois and Wisconsin. Our Rescue Riders will support hundreds of bikers over thousands of miles, as volunteers, and have helped raise hundreds of thousands of dollars for local worthy causes.

We are very proud of the fact that we are volunteers who give their time, combined with our training courses, to be ready in the case of crisis while out on the open road. Your support will go towards additional training and supplies.

We would like to thank you in advance for your consideration. If you have any questions, or would like more information please leave a message on my personal cell phone at 847-508-0652 or visit us on the web at www.RescueRiders.org. On behalf of the Rescue Riders, we appreciate your consideration in this matter and every rider who needs us in their time of need thank you, too.

Respectfully,

Rescue Riders Officer
